Strengthening the Functionality of LPMC in Region VIII	1. To enhance the capability of LGU personnel in the effective use of the ProjectWATCH Portal for project monitoring and reporting. 2. To improve the accuracy, timeliness, and completeness of project data and reports. 3. To strengthen transparency, accountability, and compliance with DILG monitoring requirements. 4. To support timely identification and resolution of project implementation issues. 5. To improve project management, decision-making, and service delivery through reliable and updated project information.	May 28, 2026	A	DILG Region VIII	San Jorge PMC, San Jorge MEO, San Jorge KALAH! and other LGUs and agencies	308	277	585	The training successfully enhanced the knowledge and skills of LPMC members and participating LGU personnel on the effective use of the DILG ProjectWATCH Portal for project monitoring and reporting. Participants gained a better understanding of project data encoding, report generation, and compliance with RPMES requirements, contributing to improved accuracy, timeliness, and transparency in project monitoring. Participants actively engaged in the discussions and hands-on exercises and expressed appreciation for the practical demonstrations and guidance provided. They recommended conducting regular refresher trainings and continuous technical assistance to further improve portal utilization and ensure sustained compliance with DILG monitoring and evaluation standards.
