Training on Understanding BP 344: Accessibility Requirements for Public Infrastructures and Utilities	1. Strengthen the capacity of LPMC members in understanding BP 344 and its Implementing Rules and Regulations (IRR); 2. Enhance the ability of the LPMC to monitor compliance of infrastructure projects with accessibility standards; 3. Identify common gaps and issues in existing public infrastructures; 4. Promote integration of accessibility requirements in project planning, implementation, and monitoring.	March 18, 2026	C	LGU SAN SEBASTIAN	LPMC San Sebastian	8	4	12	The training resulted in improved knowledge and monitoring capacity of LPMC members on BP 344 accessibility standards, with participants providing positive feedback highlighting the activity’s relevance, clarity, and usefulness in strengthening inclusive infrastructure compliance.
