						M	F	Total	
Training on Understanding BP 344: Accessibility Requirements for Public Infrastructures and Utilities	1. Strengthen the capacity of LPMC members in understanding BP 344 and its Implementing Rules and Regulations (IRR); 2. Enhance the ability of the LPMC to monitor compliance of infrastructure projects with accessibility standards; 3. Identify common gaps and issues in existing public infrastructures; 4. Promote integration of accessibility requirements in project planning, implementation, and monitoring.	March 18, 2026	C	LGU SAN SEBASTIAN	LPMC San Sebastian	8	4	12	The training resulted in improved knowledge and monitoring capacity of LPMC members on BP 344 accessibility standards, with participants providing positive feedback highlighting the activity's relevance, clarity, and usefulness in strengthening inclusive infrastructure compliance.
STRENGTHENING THE FUNCTIONALITY OF LOCAL PROJECT MONITORING COMMITTEES IN REGION VIII	1. Orient LPMCs on the utilization of the LPMC Functionality Assessment Monitoring System; 2. Orient LPMCs on the submission of Most Significant Change Narratives for the SubayBAYANI Awards.	28-May-26	A	DILG Region VIII	All Local Chief Executives, Provincial/City/Municipal Engineers, DILG Field Officers, and LPMCs of LGUs in Region VIII	8	5	13	The orientation provided clear guidance on the LPMC Functionality Assessment tool and the Most Significant Change narrative requirements. Participants gained practical insights for completing the SubayBAYANI Awards submissions and committed to improving functionality scores through regular self-assessment.
Orientation on GEF (Growth Equity Fund) Guidelines	Orient project teams on Growth Equity Fund (GEF) compliance.	2-Jun-26	C	LGU SAN SEBASTIAN	LPMC San Sebastian	8	5	13	The orientation successfully clarified GEF guidelines, fund utilization protocols, and compliance requirements. Project teams reported a clearer understanding of reporting obligations and committed to strict adherence to GEF rules in upcoming project implementation.

Orientation/Training on Citizen Participation and Transparency Tools	1. Highlight the importance of community-based project monitoring; 2. Strengthen participation and oversight in local development projects; 3. Improve the quality of monitoring, reporting, and documentation; 4. Guide proper use of online tools for uploading monitoring documents.	15-Sep-26	C	LGU SAN SEBASTIAN	LPMC San Sebastian	8	5	13	the activity successfully equipped participants with the necessary tools and knowledge to monitor local development projects effectively. Participants gained a clear understanding of their roles and responsibilities within the LPMC and the broader monitoring framework. Stakeholders recognized the importance of active citizen participation in creating checks and balances. LGU encoders were also trained on proper navigation and uploading of documents to the designated Google Drive. Overall feedback highlighted the relevance, clarity, and usefulness of the activity in promoting transparency and accountability
