MEMORANDUM
FOR: ALL DILG REGIONAL DIRECTORS
SUBJECT: ADMINISTRATION, FINANCIAL, LOGISTICS, AND PROJECT ENROLLMENT GUIDELINES FOR LINE-50
DATE: April 26, 2024

The Department remains committed to its commitment to allocate resources and evaluate the performance of local Government Units (LGUs) in the implementation and completion of projects through the Results-Based Monitoring and Evaluation System (RMETS).

Based on the Bureau's assessment of projects submitted in the Subproject Portal, several issues and gaps have been observed in the status and reporting of projects listed from FY 2022 to FY 2024. In this regard, we request all Regional Offices to adhere to the following:

- Ensure that all FY 2022-2024 projects submitted in Draft status are duly submitted for review and vetting to the DILG Field and Central Offices.
- For FY 2022-2024 projects already submitted as Cancelled, Terminated or Not Implemented, tag the corresponding status in the Subproject Portal and submit the necessary supporting documents and justifications, subject to the DILG Field and Central Office's approval.
- For FY 2024, ensure all information and documents under the 20% Development Fund (20%DF) are consistently updated and submitted on the daily basis. Attached is the 20%DF Project Encoding Guide, which is available in the Subproject Portal. Therefore, LGUs may proceed with the encoding of all FY 2024 projects in the Subproject Portal.

For information and consideration.

Alvin M. Magsaysay, Jr., CESO III
Assistant Secretary
