MEETING PROPER:

1. The meeting was presided over by the LPMC Chairman, Hon. Jouie P. Tiu. The following agenda items were discussed:
 - ✓ Participation in the "Best LPMC" Awards
 - ✓ Consultation with Barangays on Ongoing Infrastructure Projects

Participation in the "Best LPMC" Awards

The committee discussed the nomination and entry of the Sta. Rita LPMC to join the "Best LPMC" search.

MLGOO Amelsa Niña A. Perez instructed the committee secretariats to begin immediately preparing all necessary documentation, verification papers, and means of verification (MOVs). This ensures that the LPMC can seamlessly join, comply with the program guidelines, and submit all required entry credentials on time.

Engr. Ruel T. Duallo, assures the committee that the MOV's will be prepared immediately.

Consultation with Barangays on Ongoing Infrastructure Projects

The body opened a dialogue regarding the implementation status of ongoing municipal and barangay-level infrastructure projects.

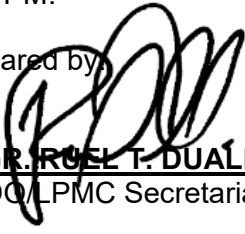

Problems Identified: The committee reviewed localized constraints on-site, tracking field execution delays, minor community issues, and logistical setbacks currently affecting ongoing projects, such as bad weather conditions that hinders the delivery of construction materials.

Suggestions & Recommendations: The members proposed establishing tighter coordination channels between the municipal engineering team, the contractors, and barangay officials. Regular field feedback mechanisms were recommended to quickly address on-site disputes or delays to keep public works on schedule.

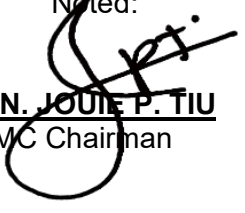

ADJOURNMENT:

There being no other matters to discuss, the meeting was officially adjourned at exactly 3:00 PM.
