LPMC RESOLUTION NO. 003-2026

A RESOLUTION RECOMMENDING THE CONDUCT OF COMPREHENSIVE CAPACITY-BUILDING ACTIVITIES FOR PROJECT IMPLEMENTERS, MONITORING PERSONNEL, AND OTHER CONCERNED STAKEHOLDERS TO STRENGTHEN PROJECT IMPLEMENTATION, MONITORING, EVALUATION, ACCOUNTABILITY, AND GOOD GOVERNANCE IN THE MUNICIPALITY OF TARANGNAN

WHEREAS, the Local Project Monitoring Committee (LPMC) is tasked to oversee and monitor the implementation of government-funded projects and programs to ensure that public resources are utilized efficiently, effectively, and in accordance with approved plans, specifications, and applicable laws, rules, and regulations;

WHEREAS, the successful implementation of development projects is a critical component of local governance as it directly contributes to the delivery of basic services, improvement of public infrastructure, enhancement of community welfare, and attainment of the Municipality's development goals and priorities;

WHEREAS, project implementation and monitoring have become increasingly complex due to evolving government policies, updated regulatory requirements, technological advancements, and the growing demand for transparency, accountability, and citizen participation in governance;

WHEREAS, project implementers, monitoring personnel, and members of the Local Project Monitoring Committee are expected to possess adequate technical knowledge, management skills, and monitoring competencies to effectively perform their respective functions and responsibilities;

WHEREAS, continuous capacity development is necessary to enable project implementers and monitoring personnel to better understand project management principles, procurement regulations, project scheduling, risk management, financial accountability, documentation requirements, monitoring and evaluation systems, results-based management, and sustainability planning;

WHEREAS, the Committee recognizes that inadequate technical skills and limited understanding of project implementation procedures may contribute to delays, inefficiencies, documentation deficiencies, cost overruns, and other challenges that may adversely affect project outcomes and public trust in government programs;

WHEREAS, strengthening the capabilities of project implementers and monitoring personnel through structured learning opportunities will improve their ability to identify project issues, recommend corrective actions, ensure compliance with standards, and facilitate the timely and effective completion of government projects;

WHEREAS, training programs, workshops, seminars, orientations, coaching sessions, and technical assistance activities serve as valuable mechanisms for enhancing institutional capacity, promoting knowledge sharing, encouraging innovation, and fostering a culture of professionalism and excellence in public service;

WHEREAS, the conduct of capacity-building activities aligns with the principles of good governance by promoting accountability, transparency, responsiveness, effectiveness, efficiency, and evidence-based decision-making in the implementation and monitoring of government projects;

WHEREAS, enhanced competencies among project implementers and monitoring personnel are expected to result in improved project performance, increased stakeholder confidence, better utilization of public funds, and more sustainable development outcomes for the residents of the Municipality of Tarangnan;

WHEREAS, the Committee further recognizes the importance of equipping personnel with updated knowledge on emerging approaches and best practices in project management, community engagement, environmental safeguards, gender responsiveness, disaster resilience, and sustainable development to ensure that government projects remain relevant and responsive to the needs of the community;

NOW, THEREFORE, on motion duly seconded,

BE IT RESOLVED, as it is hereby RESOLVED, by the Local Project Monitoring Committee (LPMC) of the Municipality of Tarangnan, Samar, to recommend the conduct of comprehensive capacity-building activities for project implementers, monitoring personnel, and other concerned stakeholders involved in project implementation and monitoring.

RESOLVED FURTHER, that such capacity-building activities may include, but shall not be limited to, seminars, workshops, trainings, orientations, learning exchanges, technical briefings, coaching sessions, and other related interventions focusing on project management, monitoring and evaluation, documentation and reporting, procurement processes, financial management, risk assessment, quality assurance, sustainability planning, and other relevant topics.

RESOLVED FURTHERMORE, that the Municipal Planning and Development Office (MPDO), in coordination with concerned offices, agencies, and development partners, be encouraged to facilitate and support the implementation of these capacity-building initiatives.

RESOLVED FINALLY, that copies of this Resolution be furnished to the Office of the Municipal Mayor, Municipal Planning and Development Office, concerned implementing offices, and other relevant agencies for their information, guidance, and appropriate action.

APPROVED this 3RD day of *JUNE* 2026 during the Regular Meeting of the Local Project Monitoring Committee (LPMC) held at the Municipality of Tarangnan, Samar.
