DATE:	July 30, 2026
VENUE:	Via Zoom
PARTICIPANTS	Provincial Director, LGU PMC Members, CSO PMC Members, Speakers, and other relevant stakeholders

REPORT SUMMARY

I. OBJECTIVES OF THE ACTIVITY

The objective of this activity is to strengthen the capacity of the Local Project Monitoring Committee (LPMC) in monitoring and evaluating local projects, ensuring proper documentation, timely reporting, and compliance with the Regional Project Monitoring and Evaluation System (RPMES).

II. HIGHLIGHTS OF THE ACTIVITY:

The activity focused on strengthening the capacity of the Local Project Monitoring Committee (LPMC) in effectively monitoring and evaluating the implementation of local projects. Key discussions covered the roles and responsibilities of the LPMC, proper project monitoring procedures, documentation and submission of monitoring reports, and the importance of timely and accurate reporting. Participants were also oriented on the requirements and processes under the Regional Project Monitoring and Evaluation System (RPMES), including the proper documentation of project status, identification of implementation issues and concerns, and submission of necessary reports. The activity emphasized the importance of regular coordination among concerned offices and stakeholders to ensure transparency, accountability, and timely resolution of project implementation concerns. Overall, the activity enhanced the participants' understanding of LPMC functions and strengthened their capability to conduct systematic project monitoring and evaluation in accordance with existing guidelines and RPMES requirements.

III. OUTPUT/s OF THE ACTIVITY:

The activity resulted in enhanced knowledge and understanding among LPMC members regarding their roles and responsibilities in monitoring and evaluating local projects. Participants gained improved capacity in conducting project monitoring, assessing project implementation status, and identifying issues and concerns requiring appropriate action. The activity also strengthened their awareness of the requirements and procedures under the Regional Project Monitoring and Evaluation System (RPMES), particularly in proper documentation and timely submission of monitoring reports. Coordination among concerned offices and stakeholders was likewise strengthened to facilitate the resolution of project implementation concerns. Overall, the activity contributed to improved monitoring, documentation, and reporting practices and reinforced the commitment of LPMC members to conduct regular and systematic project monitoring in support of transparent, accountable, and effective project implementation.
