SECTION 3. FUNCTION OF PROJECT MONITORING COMMITTEE

- a. Provide system for the integration, coordination, and linkage of all monitoring activities in the municipality;

b. Provide up-to-date information on the overall status of project implementation of each department for planning and decision making;

c. Identify problems and issues which impede project implementation for remedial actions and elevate unresolved issues to the Local Chief Executive for resolution and final appropriate actions;

d. Assess and ascertain whether the project implemented are supportive of municipal development goals and plans as well as national developments thrusts and priorities;

e. The LPMC shall conduct regular quarterly meeting; however, the Chairman may call an emergency meeting as the need arises;

f. Does other related functions as may be assigned by the Local Chief Executive.

SECTION 4. SCOPE OF MONITORING

The scope of monitoring shall include all foreign and other national agency funded projects, including development projects funded from the internal Revenue Allotment (IRA) share of local government units or supported by funds released directly to the municipality and projects funded from locally generated resources which are implemented within the territorial jurisdiction of San Juan, Southern Leyte.

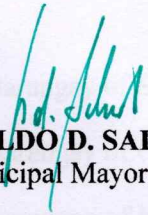

SECTION 5. FUNDING

Funds needed to operationalize the LPMC shall be made available from the General Fund to include the grant of incentives as well as training, capability building and other administrative costs.

SEASON 6. EFFECTIVITY

This order shall take effect immediately.

Done this 15th day of April 2026, at the Municipality of San Juan, Southern Leyte.

REYNALDO D. SALUDO
Municipal Mayor
