

OFFICE OF THE GOVERNOR

**EXECUTIVE ORDER No. 042
Series of 2025**

**"AN ORDER RECONSTITUTING THE PROVINCIAL PROJECT
MONITORING COMMITTEE (PPMC) OF THE PROVINCE OF
BILIRAN"**

WHEREAS, the passage of RA 7160 or the Local Government Code of 1991 has devolved the function of monitoring and evaluation (M&E) of programs and projects to local government units (LGUs). Consequently, DILG issued Memorandum Circular (MC) No. 2004-78, series of 2004 to facilitate organization and reconstitution of project monitoring committees (PMCs) nationwide and to further strengthen the roles of PMCs in ensuring transparency and accountability in the implementation of local development programs and projects;

WHEREAS, Executive Order No. 376, Series of 1989, as amended by EO No. 93 series of 1993, provided for the establishment of the Regional Project Monitoring and Evaluation System (RPMES) as an institutional mechanism for monitoring and evaluating projects at the national, regional, provincial, and municipal levels;

WHEREAS, multi-level project monitoring instituted through the RPMES provides a valuable source of inputs to budgeting and programming decisions that can maximize utilization of meager resources and protect national and local investments for local development while facilitating greater participation of government agencies, LGUs, and non-governmental organizations (NGOs) at all levels;

WHEREAS, given the current emphasis on transparency, accountability, and initiative of the national government to strengthen alignment of development thrusts and priorities across different levels of government, there is a need to ensure functionality of PMCs particularly in coordinating, monitoring, and evaluating project implementation at the sub-regional levels; and

WHEREAS, for consistency with other monitoring and evaluation tools that are currently being used by government agencies, the Provincial Project Monitoring Committee (PPMC) shall integrate the Results-Based Monitoring and Evaluation (RBME) mechanism in its M&E system.
