more appropriate. Hence, a motion for the approval of the minutes of the previous meeting with corrections was made by the Vice-Chairman Abrugar duly seconded by Engr. Solayao. The Chairman has emphasized the uniformity of findings amidst the different outlook & focus of each member in the conduct of site inspections of the identified projects set by the LPMC. Technical discussions in line with the inspections were being given emphasis and set schedule of meeting a day after an inspection be conducted to discuss findings & observations. Vice-chair Abrugar also added that LPMC must not focus on fault findings. LPMC member Karl Doms Magpili added that LPMC be more concerned with best practices and the impact of the projects to the community.

Engr. Trixie informed that LPMC is in high functionality status with a rating of 23 points. The body has decided to target the lacking 2 points by asking a schedule of the training from the DILG Focal.

Creation of an LPMC Account was also made where MOVs will be uploaded.

The 2nd Inspection schedule will be on June 10, 2026 on the Improvement of Farm-To-Market Road at Brgy. Abejao, Salcedo, Eastern Samar with a status of 100% completion rate.

A motion for a resolution requesting uniforms for the LPMC to be used during meetings and inspections.

Lastly, Ms. Shane Morbos of DILG was introduced as the member of the Project Evaluation Team partnering Engr. Trixie for LPMC. Having no more concerns for discussions the meeting was formally adjourned by a motion of Karl Doms Magpili at exactly 3:35pm.
