13. Opening of the Meeting

14.

15. The PPMC third quarter meeting started at 11:25 am with a prayer led by Ms.

16. Orag.

17.

18. Acknowledgement of Participants and Declaration of Quorum

19.

20. After a roll call a quorum was determined, Hon. Alinsub acknowledged the

21. presence of the members. He then presented the provisional agenda and the

22. Body approved it. Engr. Piquero moved to dispense the reading of the previous

23. minutes. Mr. Angos seconded the motion.. So the reading of the previous

24. minutes was dispensed and considered approved/ .

25.

26. **New Business:**

27.

28. Hon. Alinsub solicited feedbacks on the projects being inspected.

29.

30. All the projects being monitored have no billboards. The construction of Sunken Garden

31. covered parking court is waiting for the delivery of prefabricated roofing system. A portion of the

32. flooring in the Legislative Building need to be improved and stair nosing should be installed to

33. prevent accident.

34.

35. Engr. Canales informed the Body on the results of Subaybayani assessment, the

36. province almost get the award. One of the reasons is the resolutions endorsed,

37. only 3 resolutions were being endorsed. It needed at least 5 per year. He

38. suggested that every issue being agreed should be supported with a resolution.

39.

40. Ms. Garcia reported on the provision of transportation incentives. As per

41. information relayed by the CSO desk officer only the transportation cost is being

42. reimbursed with attached tickets. Due to this reason some of them did not dare to

43. claim it because the amount relayed is not compensating. Hon. Alinsub requested

44. the secretariat to follow up this matter.

45.

46.

47. At this point, the Body unanimously moved to pass a resolution that PPMC team

48. should have a uniform shirts in monitoring for identity.
49.
50. For the fourth quarter meeting, it will be conducted at the municipality of Bontoc
51. on November 27, 2026. The Chairman requested the secretariat to invite DPWH
52. to answer quires on the projects implemented in Bontoc.
53.
54. **ADJOURNMENT**
55.
56. Since there were no more issues and concern, Arch. Alfaras duly seconded by Engr
