DATE:	September 14, 2026
VENUE:	Barangay Lo-ok, Caucab, Tamarindo, Pulangbato, Almeria, Biliran
No. of Participants	10

REPORT SUMMARY

I. OBJECTIVES OF THE ACTIVITY

1. To track the project's progress and associated tasks to ensure everything is completed on time, on budget, and according to project requirements and standards;
2. To promote efficient disbursement of funds and maximize the resources of the government;
3. To ensure safety standards and working conditions are met at the work site;
4. To detect and prevent defects of the projects being implemented.

II. HIGHLIGHTS OF THE ACTIVITY

- 1 The team has attended the meeting first on the updates and status of LPMC and SubayBayani program.
2. The team proceeded to Brgy. Lo-ok, Brgy. Caucab, Brgy. Tamarindo and Brgy. Pulangbato for the inspection of projects "Reblocking of Barangay Road amounting to P1,494,854.70, Construction of Footroad going to Lower Caucab amounting to P497,955.97, Construction of Two (2) Storey Multi-Purpose Building Phase I amounting to P1,995,207.04 and Construction of Seawall amounting to P497,810.35 respectively.
3. The team returned to the venue for the meeting and feedbacking of the projects being inspected.

III. ISSUES AND CONCERNS DURING THE EVENT

The activity went smoothly from the meeting, monitoring and inspection stage because of the partnership and coordination established among the members of the Local Project Monitoring Committee.
