- 7. LEA T. ANACTA**

Preliminaries:

The Presiding Chairman formally opened the meeting at exactly 10:30 in the morning. Then, he requested the secretariat to call the roll, and declared the existence of a quorum.

After which, he continued to ask the secretariat to read the previous meeting, and requested the members to call the attention of the secretariat in cases there is a need for revision, recommendations and amendments. After reading the minutes, and no amendments or revisions made, Hon. Manuel C. Bianes Jr moved for the adoption of the minutes en toto, which was duly seconded by Mr. Randy P. Bianes.

Then, the presiding officer requested Engr Jessica Dulfo to update the committee on the status of the projects implemented under the 20% Development Fund of the municipality for CY 2025.

Engr. Jessica Dulfo narrated to the committee that most of the projects have been implemented prior to the national and local elections. Most of the projects are concreting and opening of roads. Sea wall and the rehabilitation of the municipal covered court and cultural stage are completed.

The presiding officer extended his appreciation to Engr Jessica for her continued technical assistance to the committee.

He continued to discuss the possibility of requesting the Municipal Mayor, Hon Conrado Uy Nicart III, an allocation for the honorarium of all the members of the committee, which all the members agreed to. MLGOO Raul Jamie B. Anacta concurred to the necessity of having an allocation for the honorarium because this is one of the indicators under the innovativeness of the LPMC in the assessment of its functionality. Hon. Clarissa M. Lo suggested that it is better that all the members of the committee must seek an appointment with the municipal mayor under

this reason so that he can be moved by our encouragement and reasons, which all the members agreed.

Then, the committee decided to conduct the onsite inspection of all the projects.

Having no more agenda to discuss, the meeting adjourned at 11:45 in the same morning.
