The meeting started at around 9:14 a.m. in the morning presided by Ma. Teresa M. Pates, CSO Representative in the absence of the Chairman, Hon. Jullian Marc A. Batiancela. The acting presiding officer requested the body for a comment or correction of the minutes of the previous meeting, there being none, on motion of Hon. Esterlina C. Berdida, Punong Barangay of Brgy. Dalumpines and duly seconded by Hon. Jassie B. Efe, Punong Barangay of Brgy. Nipa, the minutes of the previous meeting was carried and approved.

The first agendum taken was the status of the Construction of Evacuation Center in Brgy. Cabalquinto, Calubian, Leyte which the LPMC members visited during the 1st quarter of 2026. According to Engr. Llosa, Municipal Engineer, we are still waiting for an update from the engineer in-charge regarding the status of the project and we have already coordinated with the TESDA Administrator to relay our query and update us when the project construction resumes

Hon. Jassie B. Efe of Brgy. Nipa also asked about the status of our 20% LDF project 2026, Engr. Llosa answered that we already have one (1) completed project which are the Concreting of Access Road to Sanitary Landfill in Brgy. Herrera Phase III and two (2) on-going road re-blocking projects in Sea Side Street and San Roque Street. The municipal engineer also added that there were also two (2) projects that was bid out yesterday and will probably start before the end of the month.

44 At this moment the body agreed to inspect the on-going road re-blocking projects in Sea Side
45 Street and in San Roque Street and the on-going project coming from the MDRRM Fund which is
46 the Widening of Box Culvert and Flood Control Height Expansion located in Brgy. Garganera,
47 Calubian, Leyte.

48 There being no further business transacted, the meeting was adjourned at exactly 9:25 a.m.
49 upon motion of Hon. Eugenio C. Quimbo of Brgy. Caruyucan and duly seconded by Hon. Esterlina
50 C. Berdida of Brgy. Dalumpines, after which the LPMC member proceeded to the site for actual
51 inspection of project.
