RESOLUTION NO. 10-2026

A RESOLUTION PROPOSING AND ENDORSING THE INSTALLATION OF A WATER SUPPLY SYSTEM AT THE TANAUAN PUBLIC MARKET, RECOMMENDING ITS INCLUSION IN THE APPROPRIATE DEVELOPMENT PROGRAM AND BUDGET, AND FOR OTHER PURPOSES

WHEREAS, the Local Project Monitoring Committee (LPMC) is the duly constituted body mandated to initiate, monitor, and recommend development projects, ensure transparency, and oversee the implementation of programs within the LGU;

WHEREAS, the LPMC, in the course of its regular assessment and ocular inspection of public facilities, has identified the urgent need for a functional, adequate, and potable water supply system at the Public Market;

WHEREAS, at present, the Public Market lacks a reliable water supply, a condition that compromises public health, sanitation, food safety, and the efficient conduct of business by vendors, stallholders, and market users;

WHEREAS, the LPMC, through its own initiative and collective assessment, has determined that the installation of a water supply system is a priority and essential intervention; the Committee hereby formulates this proposal based on actual needs, site observation, and community consultations;

WHEREAS, the proposal does not yet carry detailed engineering design or cost estimates; these shall be prepared and submitted immediately upon approval in principle, to ensure technical soundness and fiscal responsibility;

NOW, THEREFORE, on motion of Committee Member Rossarie Anne E. Flores, duly seconded by Committee Member Rodgie A. Buendia, be it.

RESOLVED, as it is hereby resolved, to **FORMALLY PROPOSE** the installation of a water supply system at the Public Market as described above;

RESOLVED FURTHER, that the LPMC **RECOMMENDS** the project to the Local Chief Executive for:

- Approval in principle;
- Inclusion in the Annual Investment Program (AIP) and/or relevant development fund;
- Authorization for the preparation of detailed plans, design, program of works, and cost estimates;

RESOLVED FINALLY, that copies of this Resolution be furnished to the Office of the Mayor, the Municipal Budget Officer, and the Treasurer for their information, priority action, and guidance.

UNANIMOUSLY APPROVED.

Done in open session this 17th day of September 2026.

I HEREBY CERTIFY to the correctness of the foregoing Resolution and that the same was duly adopted by the Local Project Monitoring Committee in its regular/special session held on the date abovementioned.

RESOLUTION NO. 11-2026

A RESOLUTION RECOMMENDING THE INCLUSION IN THE BUDGET ALLOCATION OF THE IMPROVEMENT OF PARTITIONING WALLS IN THE VEGETABLE SECTION OF THE PUBLIC MARKET, SPECIFYING ROLL-UP TYPE WALLS AS REPLACEMENT TO ENSURE SAFETY AND SECURITY

WHEREAS, the Local Project Monitoring Committee (LPMC) is mandated to monitor, evaluate, and recommend improvements to LGU infrastructure and facilities;

WHEREAS, during the regular inspection and meeting, concerns were raised regarding the existing partitioning walls in the Vegetable Section of the Public Market, which are made of ordinary plywood and found inadequate for durability, safety, and security;

WHEREAS, the stalls are being rented out to vendors who pay monthly fees and are entitled to safe, secure, and suitable facilities;

WHEREAS, the Committee finds it necessary to upgrade the said partitioning walls to address security risks and ensure the protection of the vendors, their goods, and the public;

WHEREAS, the Committee determined that roll-up type walls are the appropriate and suitable replacement to provide the required safety and security;

WHEREAS, the improvement must be included in the budget allocation to ensure availability of funds for its implementation;

NOW, THEREFORE, on motion of Committee Member RJ Frank Soliva, duly seconded by CSO Representative Paul Kenneth F. Villegas;

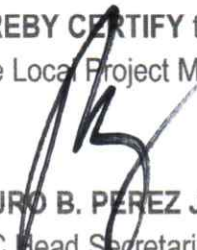

BE IT RESOLVED, as it is hereby resolved, to recommend that the improvement of the partitioning walls in the Vegetable Section of the Public Market be included in the budget allocation;

RESOLVED FURTHER, that the replacement partitioning walls shall be of the roll-up type, to ensure the safety and security of the stalls, vendors, and the general public;

FINALLY RESOLVED, that copies of this Resolution be furnished to the Office of the Mayor, the Municipal Budget Officer, the Market Supervisor, and the Engineering Office for their information, reference, and appropriate action.

UNANIMOUSLY APPROVED this 17th day of September 2026.

I HEREBY CERTIFY to the correctness of the foregoing Resolution and that the same was duly adopted by the Local Project Monitoring Committee during its meeting held on September 17, 2026.

EXCERPTS FROM THE MINUTES OF THE LOCAL PROJECT MONITORING COMMITTEE AT THE MAYOR'S OFFICE, TOWN HALL- TANAUAN, LEYTE HELD ON SEPTEMBER 17, 2026.

RESOLUTION NO. 12-2026

A RESOLUTION RECOMMENDING THE ENHANCEMENT OF PROJECT PLANS AND DESIGNS TO INCORPORATE LONG-TERM BENEFITS, DURABILITY, SUSTAINABILITY, AND COST-BENEFIT ASSESSMENT IN ALL FUTURE INFRASTRUCTURE PROJECTS TO ENSURE MEANINGFUL AND LASTING COMMUNITY BENEFIT

WHEREAS, the Local Project Monitoring Committee (LPMC) is tasked with overseeing, monitoring, and recommending improvements to infrastructure and development projects of the Local Government Unit;

WHEREAS, effective and responsible planning requires that infrastructure projects are designed not only to meet immediate needs but also to endure over time, adapt to future requirements, and deliver value for public funds;

WHEREAS, it is the policy and objective of this Committee to ensure that all project plans and designs give due consideration to durability, sustainability, long-term benefits, and comprehensive cost-benefit assessment, so that investments yield meaningful and lasting advantage to the community;

WHEREAS, enhancing planning standards will ensure consistency with the municipality's development goals, optimize resource utilization, and provide facilities that remain functional, efficient, and beneficial in the years to come;

WHEREAS, the Committee finds such measures essential to uphold public trust, promote sound fiscal management, and secure the welfare of the constituents;

NOW, THEREFORE, on motion of Committee Member Rossarie Anne Flores, duly seconded by Committee Member Glen Carlo Tiolo;

BE IT RESOLVED, as it is hereby resolved, to recommend that all project plans and designs be enhanced to ensure alignment with long-term development goals;

RESOLVED FURTHER, that the planning and design of all future infrastructure projects shall explicitly integrate considerations for durability, sustainability, and a thorough cost-benefit assessment to guarantee meaningful and lasting community benefit;

RESOLVED FURTHERMORE, that the Engineering Office, Budget Office, and other concerned departments be advised to adopt these standards in the preparation, review, and evaluation of all project proposals;

FINALLY RESOLVED, that copies of this Resolution be furnished to the Office of the Mayor, Municipal Engineering Office, Budget Office, Planning and Development Office, and other concerned units for their information, guidance, and compliance.

UNANIMOUSLY APPROVED this 17th day of September 2026.

I HEREBY CERTIFY to the correctness of the foregoing Resolution and that the same was duly adopted by the Local Project Monitoring Committee during its meeting held on September 17, 2026.
