

LOCAL PROJECT MONITORING AND EVALUATION COMMITTEE INSPECTION REPORT

As of September 2026 (3rd Quarter)

DATE : September 22, 2026
SUBJECT: MINUTES OF THE MEETING
VENUE : EDWARD HILLS RESTAURANT

At around 9:30 in the morning, the LPMC inspection team headed by Engr. Gualberto C. Bonabon II MPDC/OIC and Ms. Rona O. Puaso LPMC Chairperson, left the MPDC office and headed directly to the first site at Kinabranan Z-II pathway concreting project with 100% completed. Second site is the Development of Allen Municipal Wharf which is completed, the Construction of Covered Walk of Allen Municipal Wharf is also on-going, and the Multi-Purpose Bldg. in Kinabranan Z-I is already a 100% completed, the third site is the construction of Public Market Extension still on-going. The fourth site is the Drainage System at Poblacion also still on-going. The fifth site is the construction of Cottages at Brgy. Kinaguitman, the phase 1 is already a 100% completed and phase 2 is on-going. The final visit is at Brgy. Cabacungan, the project is construction of Tourism Pathway Extension and is also 100% completed.

At around 11:45 the team proceeded to Edward's Hills Restaurant for the luncheon meeting, since there was no issues and concerns during the site inspection, Ms. Rona O. Puaso expressed her concern about the previous project like the solar street lights, that some are currently experiencing operational issues and require inspection and necessary maintenance or repair. And the other concern is about the uniform of the LPMC team, Engr. Carlo Ombrog said he will call on the attention of the budget office regarding the fund for the purchase of uniform. At exactly 12:25 in the afternoon the meeting ended since there was no comments, concern and suggestions and the team headed back to their respective offices.
