May 28, 2026 | via Zoom

The Department of the Interior and Local Government (DILG) Region VIII, through its Project Development and Management Unit, conducted the **Orientation on Strengthening the Functionality of Local Project Monitoring Committees (LPMCs)** on May 28, 2026, via Zoom. The members of the LPMC-Palapag attended collectively at the Liga Hall, People's Center, Palapag, Northern Samar.

The activity aimed to strengthen the knowledge and capabilities of LPMC members in monitoring government projects and promoting transparency, accountability, and efficiency in project implementation. The discussions focused on the legal basis, roles and responsibilities of LPMCs, project monitoring tools, documentation procedures, reporting requirements, and best practices in monitoring and evaluation.

Participants were also oriented on the **SubayBAYANI Awards**, including its qualifications, evaluation criteria, and benefits. An open forum provided an opportunity for participants to raise concerns and clarify issues related to project monitoring and award requirements.

The conclusion of the activity successfully enhanced the participants' understanding of their monitoring responsibilities and reinforced their commitment to good governance, transparency, and accountability in the implementation of government projects.
