Guidelines on the Implementation of Local Government Support Fund - Support to Barangay Development Program (LGSF-SBDP) Minimum Standards	To orient members of the Local Project Monitoring Committee (LPMC) on the Local Government Support Fund - Support to the Barangay Development Program (LGSF-SBDP) Minimum Standards, ensuring a clear understanding of the guidelines, roles, and responsibilities in monitoring the implementation of funded projects. The activity aims to strengthen the committee’s capacity to effectively oversee project compliance, promote transparency and accountability, and ensure that projects are implemented in accordance with the prescribed standards and procedures.	February 12, 2026	A	PDMU-DILG NSPO	LGU, CSOs, PDMU-DILG	11	2	13	<i>The orientation improved the knowledge of LPMC members and LGU staff on the proper implementation, monitoring, and reporting of LGSF-SBDP projects. Participants gained a better understanding of the minimum standards and their roles in ensuring proper project implementation. Participants found the activity helpful and informative. They suggested more trainings and provision of sample reports and templates to further improve their understanding of the guidelines.</i>
Orientation on Strengthening the Functionality of LPMCs	The orientation aims to strengthen the functionality of the Local Project Monitoring Committee (LPMC) by enhancing the knowledge and capacity of its members on their roles and responsibilities in project monitoring. It also seeks to familiarize the members with the existing guidelines, monitoring tools, and reporting mechanisms to ensure effective oversight of locally funded and nationally funded projects. Further, the activity intends to improve coordination among concerned offices, promote transparency and accountability, and encourage proactive identification of implementation issues to ensure timely completion and quality implementation of government projects.	March 25, 2026	A	PDMU-DILG NSPO	LGU, CSOs, PDMU-DILG	6	4	10	The orientation successfully enhanced the understanding of LPMC members on their roles and responsibilities in project monitoring, as well as the applicable guidelines and procedures. Participants were able to clarify issues and concerns regarding monitoring processes, reporting requirements, and coordination mechanisms among implementing offices. The activity also encouraged active participation and strengthened the commitment of members to perform their monitoring functions more effectively. As feedback, participants suggested the conduct of more capacity-building activities and regular monitoring meetings to continuously improve the performance of the committee and ensure timely and quality implementation of local government projects.

Orientation on Strengthening the Functionality of Local Project Monitoring Committees (LMPCs) in Region VIII	The activity aimed to strengthen the capability of Local Project Monitoring Committees (LPMCs) in effectively carrying out their roles and responsibilities in monitoring government-funded projects. Specifically, it sought to: 1. Enhance the knowledge and understanding of LPMC members on the policies, guidelines, and procedures governing project monitoring and evaluation. 2. Orient participants on the features and utilization of the LPMC Website as a digital platform for project monitoring, documentation, and reporting. 3. Promote transparency, accountability, and efficiency in the implementation of local development projects through improved monitoring mechanisms. 4. Share successful best practices and innovative approaches adopted by Local Government Units (LGUs) in strengthening the functionality of their respective LPMCs. 5. Encourage the adoption of digital tools and collaborative strategies to improve project monitoring, reporting, and decision-making at the local level.	May 28, 2026	A	PDMU-DILG NSPO	LGU, CSOs, PDMU-DILG	1	0	1	The Orientation on Strengthening the Functionality of Local Project Monitoring Committees (LPMCs) in Region VIII successfully enhanced the participants' understanding of the roles, responsibilities, and functions of the LPMC in ensuring effective project monitoring and evaluation. The discussions provided practical guidance on implementing standardized monitoring procedures and reinforced the importance of transparency, accountability, and inter-agency collaboration in the implementation of government-funded projects. The demonstration of the LPMC Website equipped participants with the knowledge and skills necessary to utilize the online platform for project encoding, monitoring, documentation, and reporting. Participants recognized the website as an effective digital tool that promotes timely submission of monitoring reports, improves data management, and facilitates real-time tracking of project implementation. The presentation of best practices by participating Local Government Units (LGUs) also provided valuable insights into innovative approaches in project monitoring, including the adoption of digital documentation, geo-tagged photo reporting, regular field inspections, and strengthened coordination among LPMC member agencies and stakeholders. Overall, the activity received positive feedback from participants. They expressed appreciation for the practical demonstrations, interactive discussions, and sharing of successful experiences by other LGUs. The orientation encouraged participants to adopt the LPMC Website and replicate applicable best practices to further improve the efficiency and effectiveness of project monitoring within their respective local government units. The knowledge and skills gained from the activity are expected to contribute to a more functional and responsive Local Project Monitoring Committee, thereby supporting the timely, transparent, and quality implementation of government development projects in the Municipality of Silvino Lubos.
